

TASC visit to Highgrove May 2025

We were so very fortunate to have had this rare opportunity to visit Highgrove as a group! It was a short notice booking as our King and Queen were in London for VE celebrations!!! Even more fortunate was because the Spring weather was superb and the garden tour was amazingly well managed and delivered in a group of only 12- so it was very personal, informative and tranquil. A total delight!

Our tour was followed by a pre- ordered two course lunch in the Orchard rooms which was delicious!

It was a long journey for us in a day- but worth every mile! A day never to be forgotten!

Our thanks to Simply Groups for their five star help in enabling this to happen.

Gwen Wright- Visits for Arts Society Cranleigh
